

UNIT4 TRAINING RIFLE

THE UNIT4[®] TRAINING SYSTEM

**UNIT4
TPAK[®]
CARTRIDGE**

**UNIT4
MAG**

The **UNIT4 Training System** has been specifically engineered to allow police and military users to **train safely, affordably, and more frequently.**

REMOVE THE RED TAPE.

- Classified by the ATF as a non-firearm
- Does not need to be stored in the armory
- Immediate access with no requisition process
- Can be used outside the shoothouse
- Does not require HAZMAT vehicle for transport
- Ships through U.S. Mail, UPS, or FedEx

TRAIN LIKE YOU FIGHT.

- Identical to M4 service rifle in form, fit and function
- Forged from military grade aluminum
- Fires in semi and full auto
- 30-round magazine capacity
- Realistic recoil
- Identical trigger pull to real M4
- 6-inch extreme spread at 20m

NON-LETHAL MEANS NON-LETHAL.

- Standalone system
- Cannot be converted to real firearm
- Eliminates possibility of putting live ammunition into a training scenario
- 100% biodegradable, lead-free, brass-free projectiles will not break covered human skin
- No extensive PPE, just appropriate eye, mouth, ear, face & sensitive area protection

* The UNIT4 Training Rifle is available in in three primary configurations: 14.5" Classic | 10.5" CQB | 14.5" Special Operations.

* The Manufacturer's Suggested Retail Price (MSRP) for the UNIT4 Training System is as follows: UNIT4 Training Rifle [\$1,000.00], UNIT4 Magazine [\$100.00], UNIT4™ TPAK® Cartridge [\$15.00].
