TACTICAL TRAINING SYSTEMS

UNIT4® OPPORTUNITY TRAINING

The UNIT4 Training System offers a unique training paradigm shift, expanding the number of training opportunities, locations, and scenarios exponentially. Conduct affordable and realistic de-escalation, decision-making, and force-on-force training outside of designated training locations. Your imagination is the only limiting factor.

CURRENT SYSTEM

UNIT4 ADVANTAGE

**TRAIN OUTSIDE THE
TRAINING AREA**

NONE

Train outside of designated shoot house facilities on base. Conduct drills in the motor pool, team room, and other previously restricted areas.

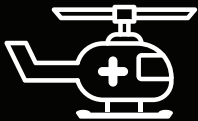

**TRAINING INDIGENOUS /
PARTNER FORCES**

**DRY | LIVE
FIRE**

Familiarize indigenous forces with a non-lethal training system, before conducting live fire drills.

**MEDICAL EVACUATION
UNDER CONTACT**

**BLANKS/
WALK THROUGH**

With the UNIT4, best practices can be reinforced while receiving feedback. Security incorporate into evacuation.

Stop Waiting. Start Training. Anytime. Anywhere.
